BENEFITS OF SPONSORSHIP

Looking for a new, creative way to advertise for your business in 2018?
Would you like a guarantee that your advertising will be seen more than 20,000 times?

Our course hosts a variety of players, local and from around the country, including our 60+ members, 50+ outings, 40+ Stay & Play Packages, and more!

Get your message in front of active consumers as they play! Unlike passive forms of advertising that may not reach your target audience, golf course advertising puts your message in front of a defined and highly sought after audience. If your target demographic is ages 35-65, we can get your message in front of them for just pennies per impression.

Also, in return for your investment, you will receive free rounds of golf that you can pass on to preferred business clients for them to enjoy. Every sponsorship includes an invitation to our annual member/sponsor appreciation dinner, which is a great chance to get your company name out there and network with all of our past and present members.

Sponsors also will receive numerous other benefits, as listed on the following page. As a thank you for the companies who participated in this program last year, we will be offering a 10% discount for this upcoming season.

CANDLESTONE GOLF RESORT SPONSORSHIP PACKAGES
